OUR GIFT GIVERS!

The Centre recognizes the contribution of our donors. We could not have done it without you. Your dedication has given us hope and encouragement. Thank you!

As a result, we have committed one staff member to deal with our donor portfolio. This will keep you up-to-date of all the happening of the Centre.

Telethon 2009 will be held on November 17-19, 2009. Expect a phone call on those days from us as we meet the Jamaica National Challenge.

Please email us any change in your address, email or telephone number. This is important to keep in touch with you.

Jamaica National Challenge

What we do

Our Core Programmes

We currently work with 50 students (4/5 groups of 12-18 students) who visit us 1 hour daily, 5 days per week. We have added to this programme eye tests, ear tests and formal assessments. Parent and teacher workshops are also offered in an effort to raise the rate of achievement of our students from its current 67% success rate of the 2008-2009 school year. The remaining 33% have made significance progress within their grade level.

Why we need you!

Jamaica National Building Society has recognized the importance of the work that we are doing in rural Jamaica and has pledged their support by giving us \$250,000.00 per quarter for three (3) years on a *matching funds basis*. This year is the last of the three years. We need donors to match this effort!!

We believe this is an exciting effort and certainly one that will afford us the opportunities to extend our programmes to the community as we continue to empower people for economic good!
